

Margaret Bain Marquis Family

Robert Campbell Marquis is descended from Dugald Marquis and Margaret Sinclair Bain (1852-95), who married in Tarbert in 1873. They had nine children, three of whom died in infancy. Robert's father, also Dugald, was born in 1886. Dugald was 32 when he married Mary Campbell in 1918. Fiona got her grandfather (below) mixed up with another Dugald Marquis (there are many of them) who was born in 1895, the son of Archibald Marquis and Sarah ? (see Tarbert/Wigston Marquis Family Tree).

It was lovely to talk to you [SM] last week and I'm thoroughly enjoying the book. I had made more progress a few years ago but managed to mislay the records that I had found when we moved. Now that you're reignited my interest, I'll hopefully find them somewhere.

I'm confused with my Grandfather's marriage cert because unless I've made a mistake, I make him 32 not 25 [see above]. That's definitely my Grandma and his death cert says he died at 72 which ties in with his DOB.

My Dad was Robert Campbell Marquis born 1934 and his siblings were:

Margaret Sinclair Marquis - b1920

Elizabeth Hayman Marquis - b1922

Jeanie Campbell Marquis b1924

?Dugald McMillan b1926

Mary Campbell Marquis b 1930

Alexander b 1928 - he died the following year

I'm sure there was a brother James too but couldn't find anything and another who died when they were young.

I never met either Grandparent as sadly they died before I was born and have never seen a photo of my Grandfather. Their house was bombed in the Clydebank blitz and I think a lot of things were destroyed.

When I can meet my sister and my Mum again, we'll hopefully be able to find out a bit more.
