John's world acclaimed account of the 1943 murder in the Bahamas of the British Empire's richest man, Sir Harry Oakes.

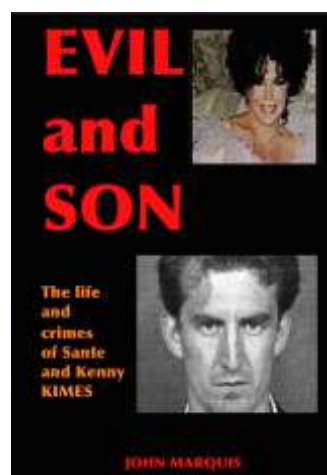

The story of John's fifty-year career in journalism and newspaper editing.

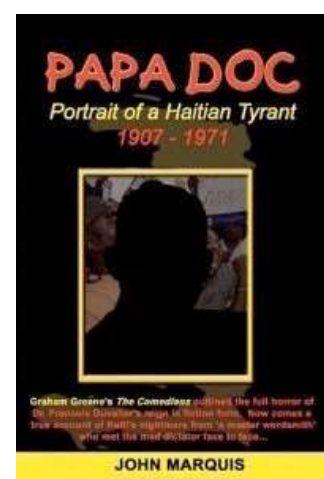

John records his turbulent time as managing editor of the Bahamas' most important newspaper, the Tribune.

A very sympathetic biography of John's literary hero, D. H. Lawrence.

John's dramatic story of mother and son team of brutal murderers, Sante and Kenny Kimes.

One of the few western journalists to interview the notorious and vicious dictator of Haiti. John gives a vivid account of Papa Doc's brutal rule.
